

ROOTED IN JESUS - DIOCESE OF GRAHAMSTOWN

ZAKHE MADALA - ST ALBANS EAST LONDON

We were truly blessed to have Bruce and Khetha doing the Rooted in Jesus Train the Trainer Course for us in the Grahamstown Diocese. The course has come at a perfect time for the diocese. A time when we need revival in our faith, prayer life and commitment to others. The focus of the training was on encouraging the trainers to be spirit led, prayerful and intentional in their engagement with others. It taught us about loving with intention while developing disciples and understanding where their journeys in their faith is. It stressed the importance of

forgiveness. All this was taught in a way that is vibrant and simple, and yet relevant to the South African context. I liked the trainer's approach of constant references to scriptures and ending each topic with a prayer during the session. I also liked the interactive approach where trainees are grouped for discussions and presentations. We thank God for making it possible for the GtC team to bring this training to us, and we pray that He will give them strength and wisdom to continue spreading the Gospel of Jesus Christ!
