To the glory of God we visited thirteen churches in six places, and the program was successfully done. The people were very happy for this program and they are ready to start the groups as soon as possible because it brings the mind of the people together. It has also made the people to look back to God. It comforted the people in the situation that is happening in the camps and in south Sudan. For God has not left the people alone as it is written in psalm 139. It assures the people that God is with them wherever they are. God has opened their hearts to put this program of rooted in Jesus in to practice

BENEFITS

- It has brought comfort to the Christians
- It has made Christians to Grow in their faith
- It has enabled them to know their weakness
- It has build Peace in the families

CHALLENGES

- Long distance
- Lack of transport mean I had to walk for two hours tricking before reaching the people
- Lack of books .book 1 and the guide both Bari and English
- Some train people who are train lose their book but they have passion and zeal for doing the work
- Hospitality

PRACTICAL PART

About all we did practically with both the train people and the people who are not train and it was so nice that the people were able to participate in the group work. This are the practical part we did with the people and it has awake the people.
